

Numicon: Geometry, Measurement and Statistics 3 Explorer Progress Book (Pack of 30) (Paperback)

By Sue Lowndes, Simon d Angelo, Andrew Jeffrey

Oxford University Press, United Kingdom, 2014. Paperback. Condition: New. Language: N/A. Brand New Book. Numicon builds a deep understanding of maths through a multi-sensory approach, developing children's fluency, reasoning and problem-solving. The Numicon Geometry, Measurement and Statistics 3 Explorer Progress Book supports the activities in the Numicon Geometry, Measurement and Statistics 3 Teaching Resource Handbook and is a great assessment tool, allowing you to gather evidence of children's achievements. This pack contains 30 copies of Numicon Geometry, Measurement and Statistics 3 Explorer Progress Book. The book contains fun and engaging activities for children to complete. Each activity links to a topic from the Teaching Resource Handbook, offering you opportunities to assess individual children's understanding and monitor progress in geometry, measurement and statistics. Children have the freedom to record their answers in their own way, allowing you to see their thinking and the use of real-life contexts allow you to assess children's ability to use and apply their maths learning.

Reviews

Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.

-- Emmett Mann

Comprehensive information! Its this sort of great go through. It really is rally interesting through studying time. I am just quickly can get a satisfaction of looking at a created pdf.
